

BIO MATH 2012

International Conference on
Mathematical Methods and
Models in Biosciences
and
Young Scientists School

17 - 22 June 2012
Sofia, Bulgaria

www.biomath.bg

The conference is devoted to recent research in biosciences based on applications of mathematics as well as mathematics applied to or motivated by biological applications. It is a multidisciplinary meeting forum for researchers who develop and apply mathematical and computational tools to the study of phenomena in the broad fields of biology, ecology, medicine, biotechnology, bioengineering, environmental science, etc.
